HACCP Australia Pty Ltd certifies the products listed above as suitable for use in food handling facilities that operate in accordance with a HACCP based food safety programme.

<b>Licence Commencement</b>	<b>3 April 2018</b>
<b>Certificate Issue Date</b>	<b>4 May 2018</b> 

HACCP Australia's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP Australia in its evaluation of the product(s) or services(s) described herein, HACCP Australia does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

**Licence Agreement**

The trustee for EFS Business Trust trading as Environmental Fluid Systems is licensed to use the HACCP Australia certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in Region 1 (Australasia), in respect of the products listed above, for a period of 24 months from the licence commencement date. The trustee for EFS Business Trust trading as Environmental Fluid Systems is in receipt of the HACCP International Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
