

IOA No 10211

**AQIS APPROVAL OF CHEMICAL COMPOUND FOR USE IN EXPORT
REGISTERED MEAT ESTABLISHMENTS**

COMMONWEALTH OF AUSTRALIA
EXPORT CONTROL ACT 1982
EXPORT MEAT ORDERS

INSTRUMENT OF APPROVAL FOR CHEMICAL COMPOUND

I, Paul Smith, delegate of the Secretary, pursuant to order 128 of the Prescribed Goods (General) Orders hereby approve for use in export registered meat establishments the chemical compound known as **TRIPLE 7 ENVIROBORE** which is supplied by Environmental Fluid Systems. Subject to the conditions specified in the following Schedule. Please note this IOA is only valid at export registered meat establishments.

SCHEDULE

The chemical compound is approved under **Category 19 Boiler Treatment and Category 20 Retort Water Treatment Agent**. This compound must not be used for any other purpose within an export registered meat establishment.

- The chemical compound shall be manufactured, labelled and contain directions for use in accordance with the details supplied by the applicant in the application for approval dated 05th July 2006.
- The person to whom this approval is granted shall notify the Secretary of any proposed alteration of formulation, labelling or directions for use of the chemical compound, and shall not effect any such alterations without receiving notification of approval from the Secretary.
- This approval is not to be construed as an indication that the Secretary has tested the efficacy of the chemical compound nor as an endorsement of the chemical compound.
- The person to whom this approval is granted shall not use the approval in any form of advertising or on any label unless the wording or display has been approved, in writing, by the Secretary.
- This approval may be revoked at any time
 - (a) if any of the conditions made by this approval are not complied with; or
 - (b) if the circumstances in which this approval was made change.
- Unless revoked, this approval will expire automatically on the 06th September 2011.

DATED THIS Sixth day of September 2006

Paul Smith.
